## CONSENT AND RELEASE OF LIABILITY BY PARENT/GUARDIAN

### 8. PARENT/LEGAL GUARDIAN AGREEMENT & CONFIRMATION

I hereby consent to my child/ward enrolling in the U.S. Naval Sea Cadet Corps (USNSCC). I understand that the USNSCC is organized along military lines, that USNSCC regulations govern my child's/ward's membership, and that violation of said regulations may result in my child's/ward's discharge from the USNSCC. I will ensure that my child/ward abides by all regulations and lawful orders from superior officers and cadets. I certify that, to the best of my knowledge, he/she is physically and mentally fit to take part in vigorous activities, I have disclosed all physical/medical/disability limitations, and he/she is not suffering from any communicable disease. I further agree to be responsible for the value of any uniforms and/or equipment loaned him/her, reasonable wear and tear expected. I understand that such uniforms or equipment shall remain the property of the USNSCC while on loan, and I agree to return them when my child/ward ceases to serve as a cadet, or at any other time upon request of a USNSCC officer or other authorized agent. I have been briefed on the USNSCC medical insurance plan. I am aware this is an accident/illness "excess" policy and that the limit of the policy is a total of \$25,000 for all accidental benefits/\$5,000 for illness with no deductible. I understand that my personal medical insurance is the primary policy, but in the event that I do not have insurance and/or the USNSCC policy limits are exhausted, I understand that I am responsible for all medical payments above \$25,000 for accidents/\$5,000 for illnesses. I also understand that payment of enrollment fees will be required ANNUALLY, and payment of uniform fees may be required upon enrollment. I agree, on my child/ward's behalf, that he/she will be bound by all USNSCC regulations, policies, and amendments thereto that govern his/her membership and conduct; I further waive any right to challenge in any way any determination made by the USNSCC regarding my child's/ward's continuance of membership in the USNSCC should he/she violate said regulations.

I further authorize, as may be required, treatment in said facilities in the event of any illness or accident arising aboard DOD, USCG, or NOAA facilities or vessels, or during other authorized USNSCC activities. This consent includes any medical, anesthesia, or surgical treatment or hospital services rendered under the general and/or special instructions of the attending physician or other physicians assigned his/her care. This consent does not include major surgery unless, in the medical opinion of two physicians, it is reasonably necessary to save life, or where second opinions are similarly impracticable the concurring opinions of other physicians may be excused.

I also grant permission for my child/ward to be transported as a passenger in military aircraft, vessels and vehicles.

**NOTICE**

This form, used as a supplement to the Report of Medical History, is **MANDATORY** for all Cadets who are currently taking medication and will report to training with prescription and/or non-prescription (over the counter) medications. Cadets may bring prescription and non-prescription medication to training as long as the medication is not for a contagious illness or physical condition that would normally preclude his/her full participation in rigorous physical activity. Medication must NOT have expired. This form is to be used in conjunction with the current report of Medical History when screening cadets prior to attending "ALL" trainings for those taking medications.

**THE INFORMATION YOU PROVIDE MUST BE ACCURATE AND COMPLETE.** If the cadet is taking prescription medications, a qualified medical provider must endorse this document in Section 10, confirming the accuracy of the prescription information provided. Medical provider signature for OTC medications is NOT REQUIRED; parent signature is sufficient for OTC medications.

Commanding Officers of Training Contingents (COTC) and Senior Escort Officers (SEO) retain the obligation and right to deny acceptance for training to any Cadet if upon review of the Report of Medical History and this document, it is determined that the Cadet is not physically and/or medically qualified (without ADA accommodation). This includes a determination that they do not have sufficient or qualified personnel to administer required medications. Parents/Legal Guardians should be consulted before making these type determinations.
